INVOCATION

Dear Lord, being in Rotary allows us to serve others. We ask that you help us remember always the Four Way Test as we work today and everyday. Help us to serve humbly and willingly as we focus on the needs of our community. Thank you for our gifts and help us to use them wisely. Amen.

THE OBJECT OF ROTARY

THE OBJECT OF ROTARY IS TO ENCOURAGE AND FOSTER THE IDEAL OF SERVICE AS A BASIS OF WORTHY ENTERPRISE AND, IN PARTICULAR, TO ENCOURAGE AND FOSTER:

1. THE DEVELOPMENT OF ACQUAINTANCE AS AN OPPORTUNITY FOR SERVICE;
2. HIGH ETHICAL STANDARDS IN BUSINESS AND PROFESSIONS; THE RECOGNITION OF THE WORTHINESS OF ALL USEFUL OCCUPATIONS; AND THE DIGNIFYING OF EACH ROTARIAN'S OCCUPATION AS AN OPPORTUNITY TO SERVE SOCIETY;
3. THE APPLICATION OF THE IDEAL OF SERVICE IN EACH ROTARIAN'S PERSONAL, BUSINESS, AND COMMUNITY LIFE;
4. THE ADVANCEMENT OF INTERNATIONAL UNDERSTANDING, GOODWILL, AND PEACE THROUGH A WORLD FELLOWSHIP OF BUSINESS AND PROFESSIONAL PERSONS UNITED IN THE IDEAL OF SERVICE.

President's Message

Blessed, we truly are! It was a great honor to become part of the 18th Anniversary and Induction Ceremony of RC Tanauan held at the Lima Park Hotel in Tanauan, Batangas. Next to that we also had a very successful blocked screening of the much anticipated movie "Thor" last October 30th at the SM Cinemas of SM Sta. Rosa City. I must say, we all had fun watching the movie!

Just last Wednesday, November 6, we attended the 6th Induction and Handover Ceremonies of RC Pasay Business District at the Acacia Hotel in Alabang to sign a sisterhood agreement. Aside from meeting new friends from another district, we also enjoyed the night's presentations and of course, each other's company.

Again, all these worthy activities will not be possible without the tireless support of our dear Centro ladies. As we enter into the yuletide season, I am looking forward to spending more bonding moments with all of you!

Yours in Rotary service,

First Class President Teodora "Doray" Lucero

I Need to Win the Lotto in 12 years

Given the guidelines in determining my nest-egg, I need to have about 8 million in 12 years. Using an interest rate higher than a savings account rate, I have to set aside about 162,000 pesos in savings every three months, or roughly 54,000 pesos a month. Upon learning this I broke out in sweat, trying to absorb the enormity of the task: how could I possibly do it? The only answer would be to win the lotto, hence the title of my paper. But I panic in advance.

In the beginning of the Financial Management course, I learned that more than 50% of employees, particularly managers, do not have any savings; they live from paycheck to paycheck, spending what they have earned over the past 15 working days, reaching zero balance just in time for the next pay day. An even higher percentage does not have a retirement plan; they have neither any investments nor a back-up business that they could go to should they lose their jobs or retire.

I have to admit, I belong to this population. I do not have any savings; I live from one paycheck to the next. The idea of retirement loom ahead and sometimes, I do think about it, but work and other more urgent matters take over my attention, and more often than not, the idea simply gets pushed at the back of the mind

It was, therefore, perhaps fate's way of forcing me to think and plan for my retirement, because our final paper asks us to write about our personal financial goals.

The first step was to determine my desired monthly income in today's peso rate. I have to admit that I needed to temper myself in this exercise by removing expenses that are not among the bare minimum, yet would allow me to live comfortably. A big chunk, or 34%, went to food and groceries, and next goes to house help (I figured I would need help around the house when I get old). Mobility needs come next to keep a car, fuel it and maintain it. I allotted some budget for medicines, communication needs (telephone, internet), and of course utilities like electricity and water. And yes, some budget for my beloved cats. In total, I would need about 35,500 pesos every month.

Rounded off to 36,000 pesos, I then assumed a 12,000 monthly SSS pension and deducted that from the total monthly expenses, and the result is that I am short by about 24,000 pesos. Multiply that by 12 months and with an annualized 8% return, I came up with the amount of 3.6 million pesos as my "nest egg", or the amount I would need to come up for my retirement fund. Assuming a 20% tax, the amount goes up to 4.32 million; and with 7% inflation rate factored in, I have the astronomical figure of 9.73 million. Assuming that I will work with my present employer till I turn 60 and thus receive a retirement fund which I could deduct from the amount, I still have quite an intimidating figure of almost 8 million pesos. I need to have 8 million pesos in 12 years.

And so we go back to my first paragraph. Going to the future and back, I now face the reality that I need to save about 54,000 pesos a month to arrive at my nest egg figure, and this is simply not possible. In my present situation, I could probably save only about 12,000 pesos a month; or still about 42,000 pesos short. The panic continues.

I know I need to assure what is left of my future; and with my current resources I can make modest investments in government bonds to boost my savings, and equally modest investments in a few blue chip stocks, that would stay as investments way beyond into my retirement years, as a form of savings that would give me a bigger gain than a simple savings account. However, at this point, I believe that the most feasible plan for me is to come up with a sustainable source of income that would continue even after my retirement year.

The most obvious solution is to start a business now while I am still earning, which, hopefully, will have taken off from being in the red and into earning profit by the time I retire. Asking advice from family and friends, I realized that this is an even bigger risk than investing in the risky-with-high-return stocks, because in effect, I will be "putting my eggs into one basket" – the business. Yet, I think it is a more feasible plan; and I must admit, a more attractive plan for me, because it will also keep me busy, useful, and connected with the rest of the community.

I have to thank the course for prying my eyes open to the future, and I actually feel a bit excited about Project: The Future.

ROTARY INTERNATIONAL

Ron D. Burton
2013-14 RI President

President's Message for November

Every Rotarian joins Rotary for his or her own reasons. Often, the reason someone decides to join isn't the same as the reason that person ultimately decides to stay. When I was asked to join Rotary, I accepted because I thought it would be a good way to get more involved in my community. In the end, though, what really got me excited about Rotary service was something I didn't even know about when I joined: our Rotary Foundation.

I knew I could do plenty of good work through my Rotary club in Norman, Okla., USA. But through our Foundation, I could have a hand in the work of every single Rotary club and district around the world. I could look at any Foundation-supported project, any Foundation program, any country that was declared polio-free, and say: I helped make that happen.

Once I realized that, there wasn't any turning back.

I've been very fortunate that over the years, I've gotten to see an incredible amount of our Foundation's work firsthand. The more I see, the more passionate I become about our Foundation. When you visit a school for AIDS orphans and meet the kids who are being cared for, educated, and taught a trade – and when you know, as you look into their faces, that if it weren't for our Foundation, they would be sleeping on the street, eating out of the trash – you don't ever see our Foundation in the same way again.

We are in the middle of one of the most exciting years we have ever known for our Rotary Foundation. We've just rolled out a new grant model, one that will challenge and inspire us all to think bigger and to develop more ambitious projects that will have a more lasting impact. We've accepted a new challenge from the Bill & Melinda Gates Foundation, which has committed to match, two to one, every Rotarian dollar contributed to polio eradication for the next five years, up to US\$35 million per year. And we are now fighting the final battles in our war against polio – a war we are absolutely committed to win.

Our Foundation's goal always has been Doing Good in the World. With our new grant model, we aren't going to be satisfied with simply doing good. We will do the most good we can, in the most lasting ways possible – for the people who need us the most.

Sisterhood Signing with RC Pasay Business District

By Rtn Myrna Valle

On November 6, 2013, our First Cass President Doray Lucero signed a sisterhood agreement with the Rotary Club of Pasay Business District, represented by their First Class President Grace Dorado.

Our club sent a delegation of six (6) members, composed of Secretary Precy dela Cruz, IPP Liza Pineda, Directors Evs Laranga and Myrna Valle, Rtn Glo Bedienes and President Doray. The venue was at the Ballroom of the Acacia Hotel in Alabang, Muntinlupa City.

The signing was held as part of the 6th Induction Ceremonies of RC Pasay Business District. After witnessing the ceremonies, our delegation was called to join our sister club at the stage. The sisterhood agreement was signed by President Doray and witnessed by Secretary Precy. The usual photo ops followed.

RC Pasay Business District was introduced to our club by Rtn Myrna, whose best friend, PP Natalia Flores, is one of the charter members of our sister club. Their club attended the induction ceremonies of PP Liza Pineda held at El Cielito Inn, Sta. Rosa City.

**MESSAGE OF THANKS
(Donate Blood, Save Lives Blood
Letting Project)**

As discussed in our regular meeting held last 25 October at El Cielito Inn, our blood letting project held last October 18, 2013 was a big success. PP Jackie remarked that it was "our most successful blood letting project ever" while our First Class President described it as a "blockbuster".

Project Chairman Che Lu was the first to be thankful to all the members for their participation and hard work in our blood letting project, namely President Doray, Secretary Precy, IPP Liza, PE Mayor Arlene, PP Carol, PP Jackie, Rtn Myrna, Rtn Cecile, Rtn Glo, and Rtn Jen.

Our gratitude also goes to The Philippine National Red Cross (PNRC) Laguna Chapter and PNRC Sta. Rosa thru Mr. Nino Lu, Isuzu Philippines Corporation, in particular AVP-Admin Mr. Dave Yandoc, Corporate Services Manager Mr. Roy Dimas, Company Nurse Ms. Irish Dumagat and Safety Officer Mr. Melchor Perlada. Special thanks to Ms. Luz of Nutri-Best Canteen (canteen concessionaire of IPC) who donated boiled eggs for all the donors, and PE Mayor Arlene for providing the giveaways.

LET US INTRODUCE YOU TO
OUR ROTARY.

ROTARY BASICS

Longtime Rotarians agree that involvement is key to getting the most out of membership. Volunteer to serve on a committee that meets your interests, to be a greeter for weekly club meetings, or to join a service project team. These activities will help you get to know your fellow club members and better understand the work of Rotary.

Membership responsibilities

What Rotarians get out of Rotary depends largely on what they put into it. Many membership requirements are designed to help club members more fully participate in and enjoy their Rotary experience.

Attendance

Attending weekly club meetings allows members to enjoy fellowship, enrich their professional and personal knowledge, and meet other business leaders in their community. If members miss a meeting of their own club, they're encouraged to expand their Rotary horizons by attending a meeting of any other Rotary club in the world.

Service

By participating in local and international service projects, club members can volunteer their time and talents where they're most needed. The Avenues of Service are Rotary's philosophical cornerstone and the foundation on which club activity is based:

***Club Service** focuses on strengthening fellowship and ensuring the club's effective functioning.

***Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards.

***Community Service** covers the projects and activities the club undertakes to improve life in its community.

***International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.

***Youth Service** recognizes the positive change implemented by youth and young adults through leadership development activities, service projects, and exchange programs.

Reflections

"Since the beginning of civilization, there has been a surplus of sayers of things. If there is any one particular in which I would have Rotary distinguished from other organizations, it is in the quality of character which results in the doing of things."

*Paul Harris, Message to the
1921 RI Convention in
Edinburgh, Scotland*

"Example, good or bad, is contagious....If we set a good example, seeing us, others may do likewise. All of us have more influence than we sometimes suppose." — The Appearance of Things, THE ROTARIAN, May 1967

Minutes of the Meeting

Regular Meeting RC Sta. Rosa Centro

25 October 2013, Friday
El Cielito Inn

The meeting started at 7:40 p.m. Attendees were: President Doray, IPP Liza, PP Che, PP Jackie, PN Pen, Rtn. Myrna, Rtn Glo

1. **Committee reports:**

a). Bloodletting project held last October 18 at Isuzu Phils. Corp. by PP Che:

- Bloodletting attendees were: Pres Doray, PE Mayor Arlene, Chairman Che, IPP Liza, PP Jackie, PP Carol, Rtn Myrna, Rtn Cecile, Rtn Glo, Rtn Jenny, Rtn Sheila.
- Out of 96 registrants, 86 successfully donated.
- Some were not able to donate because the PNRC cut the bloodletting by 3 pm; they need to transport the blood already to prevent spoilage.
- Chairman Che thanked everyone for their support and commented that the bloodletting was a big success.
- Next time we will tap Isuzu Autoparts or other companies in Laguna Technopark.
- Concerns: Mayor Arlene instructed us to give mugs to all registrants, but they were given only to those who donated. We will just check the list and Rtn Myrna can hand over the mugs.
- It was also noted that one day may not be enough to accommodate more than 100 donors; either we hold the bloodletting for 2 days or increase the number of doctors and beds.
- From our fund of 9000 pesos, our expenses were 7022 for the food and 1000 for tarpaulin, so we have a balance of 978 pesos to be put back to our club funds.

b). Vocational Tour by IPP Liza

- 35 students joined the tour together with Dir. Evs, Pres. Doray and IPP Liza.
- We only brought them to Malayan because we lacked time to coordinate with other companies. The tour was finished by 1 pm and the students felt it was too short.

Minutes of the Meeting

·Overall, however it was good. Malayan provided snacks, PP Maan provided the transpo and 1000 pesos for lunch, fuel c/o Rotarians.

·For our Vocational Tour Part II, I spoke with the adviser and he was not in favour of our plan to bring the students to Intramuros and Coast

Guard, because it is not aligned with their school's focus on Science and Technology. It was agreed that we will change our plans for Part II and explore other options. Some suggested destinations are PAG-ASA, Philvolcs and ABS-CBN.

c). TRF by IPP Liza

·Gov. Ona sent us a letter reminding us of our pledges.

·Deadline is supposed to be Oct. 25 but most likely it could be extended. If we can do EREY, maybe it could be recognized on Nov. 21 recognition night.

·So far, those who already gave: Rtn Glo (\$500), PP Che (\$50), PP Jackie (\$100), Rtn Myrna (\$100).

·IPP Liza will text everyone to remind them.

d). Deworming held October 8 at Dita Elementary School by Rtn Glo

·Attendees were: Pres Doray, PE Mayor Arlene, PP Che, PP Jackie, Rtn Glo.

·More than 300 pupils were given the tablets, with only 1 case of vomiting.

·Mayor Arlene attended and stayed for about an hour. She read a story to the pupils about hand washing, enacted by PP Jackie (as water), Pres. Doray (as the hands) and PP Che (as soap). Afterwards she gave away candies to the children.

·Pres. Doray served pansit and puto after the deworming, helped by Spouse Danny and Mayor's bodyguards.

·PN Pen was reminded to provide photos of the Deworming project she held at their subdivision for documentation.

e). Hospital Beds donation by PN Pen

·I was assigned to look for possible recipients of our 2 hospital beds. I know of an indigent who is a part of our rescue team, her husband had a stroke and could use the hospital bed.

·Pres. Doray was asked if there are restrictions in granting the bed for personal use and she said there are none. However, PP Jackie said that the bed may be used by the sick indigent only, and must be returned in the event the bed cannot be used anymore (recovery or death).

Minutes of the Meeting

·Pres. Doray said she will ask Dra. Cunanan about the planned transfer of the birthing clinic to another location, in which case they might need a hospital bed.

7. President's Time:

a). Pres Doray thanked all who participated in our bloodletting, which was a "blockbuster", as well as the participants of our vocational tour.

b). We brought our RYLA participants this morning. For their registration of 1,300 pesos each, we gave them 5K pesos, the balance will be divided among them. I also PAID 1000 pesos for the 2 tents we rented and rented a van for them. They will return this Sunday.

c). Our Halloween party, supposed to be tonight, has been cancelled because we have less than 20 attendees, therefore the fee cannot cover the rental for Esmeralda. Mother Club offered to change the venue to Pres Eric's place near AUP, but we still cannot cover the expenses with the attendees so we decided to cancel it.

·PP Jackie said that Mother Club has decided to push through with it on it by themselves.

d). During the Gawad Parangal, our candidate Dra. Salundanes was inducted as our member. This was unexpected and even Mother Club was surprised. It was agreed that the club should make sure that she will be a member for real by attending meetings and activities.

8. Other Matters

a). PP Liza: Per PP Leni, we have to come up with a project with our sister club RC Wodonga. Since our club's thrust is maternal and child health, how about another birthing clinic?

·PP Che commented that our existing birthing clinic is now 24 hours.

·Another option we can explore is Adopt a Daycare. Brgy Pagoyo was supposed to be given a grant by GK but was moved repeatedly. We already have a container van, but no area for it to be located yet.

Minutes of the Meeting

·We can explore companies who donate school-buildings, have a tie up with them and we can provide the furnitures and fixtures.

b). For our Matching grant projects, best options are Cervical Cancer Vaccine and PAP Smear. PP Che will ask CHO for details.

c). Rtn Myrna is suggesting to have a video showing on Environmental Effect of plastics. It will be brought up to Dir. Evs.

d). Rtn Myrna relayed Gov. Chit's message that she would like to hold a short photography seminar for us, so that we will know how to take action photos, etc. We can hold it during a regular meeting.

e). PP Che raised concern about our attendance report; swap days are not being counted. Example, she was absent on Oct. 8 but she was present during the Oct. 4 Deworming project. Same with Rtn Glo. PP Jackie said that swap days should be +/- 14 days from the regular meeting date to qualify for swapping.

f). PP Che announced that per the DGN, we can already choose a district event that we could host, so we should discuss that already. Mayor Arlene was already given the DTAC to be hosted by our club next year.

5. The meeting was adjourned at 9:30 p.m.
