President's Message

My dear Centro ladies,

After a two-week hiatus from our Regular Meetings, I am very much looking forward to seeing all of you at our home base at El Cielito Inn! The past two weeks have been anything but idle, however. Our beloved PP Mean Gonzales celebrated her birthday at the Vue Bar, and judging from your photos, I can tell that you had a great time together with our honorary member PDG Rey Castillo, PDG Paeng Tantuco and other special guests. At that time, I was at an ocular of a project of RC Calapan Mindoro to help the Mangyan Community in their area, and I am happy to announce that our Club will be supporting this project, through the generosity of our PE, Mayor Arlene Arcillas.

Last Friday was, of course, our much-awaited DISCON 2014, and I would like to thank those who participated namely PE Mayor Arlene, Secretary Precy, IPP Liza, PP Che, PP Mean, PP Jackie, Rtn Myrna, Rtn Cecile and Rtn Sheila. As DG Danny Ona announced, the event was very successful and fruitful.

There is still much to do this Rotary Year, and as usual I am counting on you, ever dependable Centro ladies!

God bless us all!

Yours in rotary service,

First Class President Teodora "Doray" Lucero

2013-14 RI President

President's Message for April 2014

Like attending a Rotary club meeting, reading Rotary magazines is an essential part of the shared experience of being a Rotarian. When you pick up a Rotary publication, whether it's Rotary Down Under in Australia and New Zealand, or The Rotary-No-Tomo in Japan, you'll find that every single one does just what it's meant to do: It informs, and it inspires. It keeps you up to date with Rotary news, brings you new ideas for your Rotary service, and tells stories that are relevant and meaningful to you. To me, these publications around the world are a tangible representation of Rotary's greatest strength: that each club is a local, community-based entity, engaged in a truly global network.

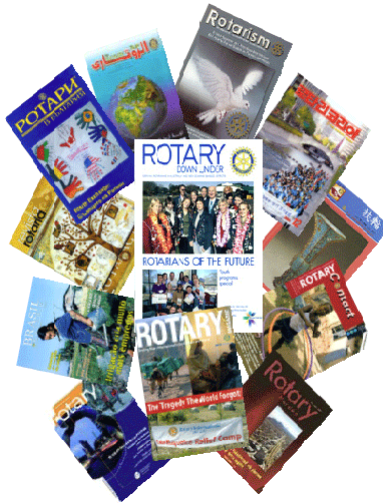

This organization is incredibly large and diverse, and as much as we all have in common in Rotary, we are not a place where one size fits all. Our expectations of a magazine, both culturally and linguistically, are naturally going to be different. With our regional publications, Rotarians in Bulgaria can find out what's going on in Rotary in Bulgaria, and what's going on elsewhere in the Rotary world, along with the latest news from Evanston. Because each one of our Rotary publications belongs to the family of Rotary magazines – each one is, like every Rotary club, both fully local and fully part of our international identity.

ROTARY INTERNATIONAL

Updates

One of the greatest privileges of being RI president is the ability to speak directly, every month, to every one of our 1.2 million Rotarians. It's awe-inspiring to me, as I write this, to think of all of you, sitting down in your living rooms or at the breakfast table or maybe on the train to work, reading these words, and then turning the page to find out what's new in Rotary. And overwhelmingly, that is exactly what each of you does. Not just because your Rotary magazine turns up in the mailbox, or because you feel you have to – but because Rotary magazines are good magazines. I hope that when you pick up your publication – whichever one you're reading right now – you get the same feeling of pride, and ambition, that I do.

Rotary magazines remind us that as Rotarians, we are all part of something larger than ourselves. They show us just how much we can achieve through Rotary. Through them, we see what our Foundation dollars do, we see what our fellow Rotarians are doing, and we are inspired to Engage Rotary, Change Lives even more.

Greetings of love, peace and joy in the name of Rotary.

2014 DISTRICT CONFERENCE : Three A's!!

By Rtn Myrna Valle

Amazing!

DISCON 2014 of RI District 3820 opened with an amazing spectacle of colourful dance numbers that depicted the different fiestas in the Philippines. As Rotarians filled the seats of the Grand Ballroom of Taal Vista Hotel garbed in traditional Filipiniana attires, the First Class Presidents and their Club Secretaries converged outside. Not long after, the grand entrance parade started, starting off with District 3820 dignitaries, including the guest of honor, RIDE Guiller Tumangan and RIPR Muhammad Ridlo Eisy and Spouse Roxanne.

Next, the First Class Presidents were acknowledged one by one, among them our own President Teodora “Doray” Lucero together with Secretary Priscilla “Precy” dela Cruz, who marched with the RY 2013-2014 club banner.

After the frenzy of dance presentations, the crowd settled down as Governor Danilo “Danny” Ona banged the gavel to herald the opening of the DISCON. After the Invocation and the national anthems of USA, Indonesia and the Republic of the Philippines, the traditional roll call of clubs ensued.

Upon the start of the plenary session, it was time to get down to business. DG Danny Ona presented the State of District 3820 Address or SODA, wherein he announced the numerous achievements of the district under his leadership, notably the very good performance in the club's contributions to RI. Next, RIDE Guiller Tumangan gave a talk on District 3820 status on membership, among others. Individual talks on Vocational Team Training (VTT), Youth Exchange Program (YEP) and New and Probationary Clubs were given by the program heads PP Jenny Salud, PP Precy dela Cruz and DC Lewi Tolentino, respectively.

The banner features the Rotary International logo on the left and the 'Engage Rotary Change Lives' logo on the right. The background is a night photograph of a large, illuminated building. The text on the banner reads: 'DISTRICT CONFERENCE 2014', 'Host Club: Rotary Club of Metro Lipa', 'Grand Ballroom of Taal Vista Hotel in Tagaytay | March 28-29, 2014', and the slogan 'All together... We will be there! Living forever in Service'.

As the highlight of the first plenary session, PDG Mike Lirio introduced the Rotary International President Representative, PDG Muhammad Ridlo Eisy, who talked about his role as RIPR and his affinity with the Philippines, which is very much similar to his home country.

Adorable...

After an hour-long break, it was time for the much-awaited Hollywood Night! In true Rotary fashion, ladies and gentlemen came in adorable Hollywood-inspired get-ups and as a tradition of sorts, Musical-Dance competition was held, wherein 9 clubs competed. It was a tight contest judged by Lady Dot Gancayco, Lady Mariz Alvarez and Ms. Melanie Marquez. The judges were so impressed with the numbers that they nearly ran out of superlatives to describe the contestants :

1st PLACE : RC Balayan - Miss Saigon

2nd PLACE : RC Lucena College Junction - Grease

3rd PLACE : RC Lipa—Chorus Line

marvellous, fantastic, beautiful, and yes, even my three A's. In the end, RC Balayan won 1st place (depicting Ms. Saigon), RC Lucena College Junction grabbed the 2nd place (depicting Grease), and RC Lipa for 3rd place (depicting Chorus Line)

Day Two started with the breakfast for both incumbent and incoming presidents at McDonald's, while back at the Grand Ballroom of Taal Vista Hotel, Rotarians started off with community singing. A series of talks followed, starting with RRMCOyan Villanueva, a DISCON staple, who talked about membership. Next, the honourable Secretary Herminio "Sonny" Coloma rendered a very inspiring presentation about membership and leadership. RRFC Mac Hermoso followed with an informative presentation about the status of TRF.

DRFC Teotimo Reyes Jr and PDG Rafael "Paeng" Tantuco gave talks about our District's TRF and Program Fund Contributions, respectively. This was followed by a video presentation of notable contributors in the district.

Lunchbreak came a little late, which was much-needed to prepare for the Business Meeting wherein important matters were discussed and decided by the body of electors from each club. After some serious debates, all ends well as parties came to mutually agreed courses of action.

So what follows after Rotarians work hard? Play hard of course! The Governor's Ball was again a night to remember as more dance numbers, presentations and awards were given, highlighted by the acceptance speech of the DGE, Mr. Casimiro "Jojo" de Guia Jr and the ceremonial turn-over of the DISCON. After DG Danny Ona's heart-warming closing address, Rotarians prepared to have fun, fun, fun, with much dancing, raffle prizes, laughter and fellowship. Another successful DISCON for District 3820, and we have no other words for it but...

AWESOME!!

Reflections

“It has been contended that the saloon was the poor man’s club; quite right, but it was his hearthside as well, in many cases.

Saloon attendance was the great indoor sport of many, and the regular business of others. The lure of the saloon was in man’s insatiable desire for fellowship. There kindred spirits were to be found, and the stimulating influence of alcohol served as quick and certain means of breaking down the barriers between men. The pity was that it broke down more than barriers; it broke down self-respect. A strong man might withstand its demoralizing influences for a time—a long time perhaps, but it usually got him sooner or later.”

(Paul Harris, This Rotarian Age, page 24)

“Our success or failure will not depend upon the machinery of Rotary or its physical growth, but upon the extent to which Rotary’s ideals or objectives are translated into positive, tangible results in personal, business, community, and international life. We shall be known by our works.” — The Second Quarter Century, THE ROTARIAN, July 1930

Kitchen Beauty Remedies that Actually Work

Coconut oil: We've waxed poetic about our love for coconut oil before in the Daily Beauty Reporter. And with good reason: This dry oil has omega fatty acids that are anti-inflammatory and richly moisturizing, not to mention that beach-vacation smell. Warm up a few drops of the oil in your hands, and work it through hair to add shine and tame flyaways. Or apply it as a post-shower moisturizer that absorbs quickly and leaves skin glow-y. Heck, you can even add a dollop to a smoothie. When it comes to multipurpose beauty products, coconut oil might be the best (and most delicious) of them all.

Honey: Quit crumbling up Advils and dotting toothpaste on your face in the name of clear skin. Turns out, one of the best acne fighters out there is the same thing you put in your tea. "Honey, especially manuka honey, is also a great ingredient for acne, since it kills the bacteria that cause pimples without drying side effects," says dermatologist Jeanette Graf. She also notes that the sugars in honey pull moisture into the skin, making it a crazy-effective moisturizer with antibacterial properties. Just a tiny dab of manuka honey on pimples is an amazing overnight acne fighter (that won't dry out your skin!).
