President's Message

As we observe the Holy Celebration of Padre Pio of Sto. Tomas, our canonized saint from Sto. Tomas, Batangas, let us all be reminded of our real purpose in this world that we live in. All the talent and wealth that we possess are blessings bestowed upon us by our Lord Jesus Christ to serve a greater purpose. Therefore, these gifts should be used wisely and more importantly, shared with our less fortunate brothers and sisters.

We should also be reminded that at the end of each day, we need to praise and glorify His name and thank HIM for all our blessings. Have a blessed day my fellow Rotarians!

Your in Rotary Service,

First Class President Doray Lucero

LET US INTRODUCE YOU TO
OUR ROTARY.

ROTARY BASICS

Frequently Asked Questions in Organizing New Club

This list of frequently asked questions can help you anticipate and answer questions that charter members and sponsor clubs may have about organizing a new club.

Is a new Club survey necessary?

Yes, the RI Board requires one before members are recruited for the new club.

Does a new club have to have a sponsor club?

No, but the RI Board strongly encourages sponsor clubs because they can significantly reduce the high termination rate of new clubs by helping to establish growing membership, relevant service projects, and enjoyable fellowship opportunities for the new club. A new club may have one or more sponsor clubs, but at least one of the sponsor clubs should be in close physical proximity to the new club.

Does the special representative have to belong to the sponsor club?

No. In many instances, the special representative's club acts as a sponsor club, but that is not required. The governor may select any Rotarian to serve as special representative.

Is there a minimum or maximum number for a charter list?

The minimum number is 25; there is no maximum.

What are the qualifications for membership?

Qualified potential members fall into one of these categories:

- Currently working in professional, proprietary, executive, or managerial positions
or retired from such positions
- Community leaders who have demonstrated a commitment to service through personal involvement in community affairs
- Rotary Foundation alumni, as defined
by the RI Board

(cont. on page 10)

ROTARY BASICS

from page 9

They must also

- Be able to meet the club's weekly attendance and community project participation requirements
- Live or work within the club's area
- Fit into a classification that is not over represented in your club (exception: Rotary Foundation alumni)

Are there any restrictions on classifications?

Yes. A club can have up to five members or 10 percent of the active members, whichever is higher, in any one related field. For example, a charter list with 25 members would be limited to 5 members with the same classification. On the other hand, a charter list with 60 members can have up to 6 members (10 percent) who share the same classification. Review the classification worksheet completed by the special representative to ensure that the club has a balanced and diversified list of business, professional, and community club-charter members. RI does not maintain a classification list. The reason there is no central list is that every business community may have professions or businesses that are unique to that local area. In order to create appropriate classifications, consult your local phone directory, chamber of commerce or other business listing, or other sources to determine appropriate classifications for potential new members.

How do I locate my Club and District support representative?

Find the CDS representative for your area at www.rotary.org/cds.

Can a member of a current Rotary club be included on the charter list of a new club?

Yes. The member should let their current club know his or her intent, so that the member's resignation is completed by the date that the provisional club is admitted to membership. Upon resignation, the member should also request a Confirmation of Former Rotary Club Membership and Good Financial Standing form be signed by the club secretary and club president of the club from which the member is resigning. Submit the completed form to the charter club president or secretary. A Rotarian cannot be a member of two Rotary clubs at the same time, unless one of the memberships is honorary.

Can a new club be permanently restricted to its meeting time or place?

No. Once a club is admitted to membership in RI, it has the same rights as any other Rotary

(cont. on page 11)

ROTARY BASICS

from page 10

Are there any requirements for descriptions of locality?

Yes, a written description is required.

How can a new club avoid problems with its application?

When a partial charter list is ready, send it to your CDS representative for review and comment. Call your CDS representative anytime you have questions. Find contact information for your CDS representative at www.rotary.org/cds.

Is it just a formality for the RI board to approve the admission of a Rotary club?

No. The application documents are thoroughly scrutinized to ensure that they comply with RI constitutional documents and Board policies. Some provisional clubs have not become Rotary clubs because the Board did not approve their applications.

Is signing the document the district governor's only role in organizing a new club?

No. The district governor must first approve the New Club Survey and then assign a special representative. The governor also must attest that the completed application has been reviewed and approved. Depending on the circumstances of each new club formation, the district governor may either be highly involved in the process or turn over the majority of the responsibility to the special representative.

Can any person organize a new Rotary club?

No. Individuals interested in forming a new club must work with the district governor and the designated special representative.

How is a new club organized in a non-Rotary country or geographical area?

The RI Board of Directors has determined that Rotarians interested in pursuing extension to non-Rotary countries and geographical areas must work through the appropriate RI Extension of Rotary Committee. These regionally based committees have been charged by the RI Board to facilitate the development of Rotary in these new areas and to assist Rotary clubs seeking to conduct service projects in them. Working under the guidance of an extension committee ensures that Rotary presents a focused and coordinated approach to local and regional governments. If you are interested in extension into a non-Rotary country or geographical area, contact the appropriate committee chair or your CDS representative.

ROTARY INTERNATIONAL Updates

Ron D. Burton
President
Rotary International

*An excerpt from President elect's address at the
2013-2014 RI Convention*

And that is why we're ready to start aiming higher in everything we do — as Rotarians, in our clubs, and through our Foundation, with the new Foundation grant structure we've been calling Future Vision.

Future Vision is a new way of thinking about Rotary service, and a new era for our Foundation. It takes everything that is wonderful about Rotary and brings it to a new level, by encouraging Rotarians to serve in the ways that do the most good, while retaining the flexibility to serve in the ways that we choose.

It's a big transition — a big change from business as usual. The biggest change is learning to think big, and planning for the long term. We'll be talking about sustainability much more than we have in the past, looking at ways to make sure that the good Rotary does keeps on doing good, long after Rotary's involvement ends.

The goal of our Rotary Foundation has always been Doing Good in the World. Starting on 1 July, we're going to take it a step further: We're going to do the most good, for the most people, that we possibly can.

Our Rotary Foundation exists to take our Rotary service to that higher level. But just how high we can go — how strong our Foundation will be — well, that depends on each of us.

This year, I've been doing my best to remind people of that, and I asked our incoming district governors to lead by example and each make a donation in their own name to our Rotary Foundation.

I'm proud to say that 100 percent of them did, and not only that, but they inspired thousands of their incoming club presidents to do the same. So far, we've raised US\$4.7 million in new gifts for our Rotary Foundation. And a lot of that money came from people who have never donated to our Foundation before.

Every one of those people is saying something with their gift. They're saying: "This is my Foundation. It's my resource, as a Rotarian, and it's my responsibility." And I'm asking every one of you to say the same.

RC STA. ROSA CENTRO CTAC What's the Buzz?

By Rtn Myrna Valle

On June 26, 2013, RC Sta. Rosa Centro held its Club Awarding and Turn-over Ceremony pr CTAC at the Sports Bar of El Cielito Inn, Sta. Rosa City. Like other important milestones, RD 3820 VIP's were invited; among them were IDG Dennis Sunio with Lady Angie and DG Danny Ona.

To make the event extra-memorable, the ever-creative Centro ladies put a twist in the program, lead by program director PP Ma-ya. After the ceremonial opening, the program took a turn, transforming the night into a talk show hosted by Jem. IPP Liza was "interviewed" by Jem about the past rotary year: the challenges, activities and memorable moments. Awardees were presented at the stage and again interviewed by Jem about their thoughts and messages about their awards.

Lively audio-visual presentations peppered the night's event, eliciting memories from the attendees. Also included were "commercials" or sponsors to keep up with the TV talk show theme.

But the highlight the program was of course, the formal turn-over of the leadership of RC Sta. Rosa Centro. IPP Liza rendered a heart-warming speech about her experience as president and her wishes for the incoming president, followed by the ceremonial hand-over of the Rotary Bell and Gavel. President Doray then gave her acceptance speech.

Then came the most-awaited part of the night: the announcement of the special awards, which were, until that moment, was a big secret. One by one, the awards were announced to the delight of the crowd. What a night! It was more than a buzz, it was a big bang!

Reflections

"Only if in each nation an informed public opinion actively works for peace can we avoid the international anarchy that would spell the end of civilization as we know it."

*Paul P Harris –
October 29, 2006*

"It is idle to boast that Rotary is a panacea for all the ills of the world. It is not, nor will it be. It has grown to its present position for two reasons. First, Rotary ideals justify its existence. These ideals are as fresh today as they were in the beginning and I believe that we have come to understand them better. Also, Rotary activities have been sane and wholesome. Men's lives have been quickened into a zeal to be helpful to others. The work of Rotary has been ideal. It has also been practical." — Address to 1928 Rotary Convention, Minneapolis, Minnesota, USA
