Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third. The application of the ideal of service in every Rotarian's personal, business, and community life;

Fourth. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

President's Message

Dear Centro Ladies,

The exciting district event for the Interactors last week resulted to be one of their unforgettable experiences. They won Mr. And Ms. Interactor. I congratulate the effort of the Centro Ladies in helping the club make a good orientation among the students. We look forward to another good number of participants in the next district events and their own projects as well.

Oct 3 is another district event, the Rotaryo Educare, which will be held in Los Baños. We have a few participants from the Holy Rosary College. Let us show support for these young people, the pride of Sta. Rosa!

Yours in Rotary,

World Class President

Delphi Penelope "Pen" Cuya

**ROTARY CORNER****FUNDRAISING****HOW CAN I FUND MY PROJECT?**

You may be able to pay for your project entirely through fundraising events, such as charity dinners, walkathons, or online auctions. These events will not only help you raise money for your project, but also awareness for Rotary and The Rotary Foundation. Some possible fundraiser events are:

- Hold a raffle
- Skip a meal at your club meeting and donate the cost
- Organize a walkathon, bike-a-thon, or skate-a-thon
- Honor a special person in your life with a memorial or tribute gift
- Collect pennies to end polio
- Organize a purple pinkie project to end polio

CREATING A FUNDRAISING PLAN

- Before hosting a fundraiser, you should create a plan that:
- Identifies your fundraising needs
- Establishes a budget
- Considers and addresses local laws for fundraisers
- Determines available resources in your community
- Outlines the event's logistics (such as selecting the location, ordering supplies, and arranging for set up and tear down)
- Describes how volunteers will be organized
- Considers how to publicize the event
- Provides ways to measure its success

ROTARY CORNER

WHAT ARE THE BENEFITS OF FUNDRAISING FOR THE ROTARY FOUNDATION?

When you give to The Rotary Foundation, you help advance communities, improve health, and promote peace. Your support is essential to make grant-funded humanitarian projects, scholarships, and activities, such as vocational training teams possible.

What's more, the money you raise for the Foundation benefits you, your club, and your district. Here's how:

ANNUAL GIVING

When you donate to the Annual Fund-SHARE, a portion of those funds becomes available to your district each year through the District Designated Fund. At the end of three years, your district can use this money to pay for Foundation, club, and district projects.

Help your fund grow by participating in the Every Rotarian, Every Year fundraising effort.

MAJOR GIVING

When you make a gift of \$10,000 or more, you are providing crucial support for Rotary. If you give to the Endowment Fund, you are ensuring a strong future for the Foundation by providing a continuous stream of income to fund Foundation grants and activities.

MATCHING GIFTS

Thousands of companies match gifts to The Rotary Foundation. Find out if your employer does and double the amount of money you donate — and receive in return — to fund Foundation projects and activities.

DONOR RECOGNITION

The Rotary Foundation is grateful for the generous support of its donors. Learn about donor recognition opportunities for individuals and clubs.

ROTARY INTERNATIONAL

News & Updates

Rotary and ONE, an international advocacy organization, joined other event partners in downtown Chicago on 24 September to demonstrate a commitment to ending extreme poverty and inequality and to promoting action on climate change on the eve of the United Nations launch of its Sustainable Development Goals.

The 17 ambitious goals constitute a road map for finding solutions to the world's most pressing problems, and dovetail with Rotary members' work to create positive change in their communities and around the world. As dusk fell over Chicago, participants in the Under One Sky event held up blue lights, transforming the plaza where they were gathered into a field of fireflies to #LightTheWay to a more just world.

"This is a great opportunity for people to network and join an event where we are all focused on creating a better world," said Cheryl McIntyre, president of the Rotary Club of Chicago.

Julie Bordo, a district representative for ONE.org, noted that Rotary and ONE are more effective when they work together.

"We have very similar goals, and when we put our collective efforts together, it allows us to reach more people in addressing these incredibly important issues," she said.

Under One Sky Chicago was one of more than 40 such events planned in the United States and more than 150 around the world. Other cities that hosted them include Sydney, New Delhi, Johannesburg, São Paulo, and New York.

September is Rotary's Basic Education and Literacy Month. In line with this, the Centro Ladies conducted a one-day seminar on proper nutrition. A total of 70 students and about 30 parents attended the event.

Speaker for the kids was WcPres Pen Cuya, who is a registered nurse by profession. For the parents, Sir John from the Department of Agriculture taught them about backyard vegetable gardening.

News & Updates

My dear WC Presidents, WC Deputy DGs and WC Asst. Governors,

Many accomplishments were achieved in the three months of the Rotary Year from July to September, starting with various kick-off projects, to the Governor's visits & club inductions, and most recently, the coastal clean up projects.

The Governor's Visit & club inductions are about to be completed in the Southern Tagalog areas that brings me now to Bicol starting October 4.

At this point, may I express my sincerest and profound gratitude to all clubs I've visited for the warm hospitality and concern that you accorded me. The welcome receptions in different forms were truly heart-warming and one experience I cannot just forget easily. The tokens you gave were not necessary, but nonetheless they are all sincerely appreciated.

Thank you so much WCPresidents and WCRotarians from the bottom of my heart.

News & Updates

Not to be taken for granted were the direct involvement by all the DDGs and AGs whose individual roles helped in the crafting of a well planned schedule of Governor's visit and club induction. Moreover, I'd like to express my personal appreciation to all of them for being with me in all my visits without let up, taking turns to accompany me wherever it was. Rather than just a Governor's visit, it was a visit by a District team as well. My expression of thanks to you all.

To those clubs that participated in the Coastal Clean Up Day, I'd like to commend you for spending a day helping clean environment. The one-day activity may have actually resulted in collecting waste and trash along river banks and sea shores, but the real intention is to use it as a campaign to drum up awareness for a sustainable clean environment.

As a gentle reminder, may I reiterate the invitation sent to you by RC Los Banos Makiling on the upcoming "Rotario Educare", a Rotaquiz, an oratorical and impromptu speaking contest among high school students..... a three-in-one District event. Please join and send as many solo or team participants. Let us support this project.

Lastly, as announced by PDG Paeng Tantuco, the dollar exchange rate effective October 1, 2015 shall be US\$1.00 to P47.00.

Maraming salamat.

Rotary Historic Moments

Did You Know? A Sports Moment in Rotary History, Charles Buschmann

Before (Rotarian) Charles Buschmann was done — he died in 1964 at age 96, the oldest member of the city’s Rotary Club — he had won state medals in gymnastics, helped found the Indianapolis Athletic Club, carried a bowling average in the 170s into his 70s and was described in a 1947 newspaper story as “the Jim Thorpe of Indiana.”

Along the way he became business partners with Henry Severin, who built the Omni Severin in 1913. Charles Buschmann named his son after his business partner, and that son — Severin Buschmann Sr. — took the family into weird and wonderful directions.

Charles Buschmann lived and died before our era’s history book, the Internet. His snowball rolled on, gaining size, but then it went the other direction for such a sad reason: If you don’t exist online, you almost don’t exist. As memories faded and people died, Charles Buschmann nearly disappeared. Time and our reliance on technology did that, turning one of the most important figures in state history — sports, politics, more — into a name, a rumor, someone who may have done something a long time ago.
