Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third. The application of the ideal of service in every Rotarian's personal, business, and community life;

Fourth. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

RC Centro's GREAT!

President's Message

Dear Centro Ladies,

The time we had during the meeting with our sister club, RC BMW is one of the experiences I will treasure during my term. I have learned to appreciate the importance of the bond between merging of two clubs greatly influenced by one goal. I look forward to more club visits before other major projects set in next year. In the mean time, let us give time to encourage and build each other up through fellowships. After all, we also have the right to give ourselves a break after a hard day's work don't we? Expect a few fellowship schedules in our club before the year ends and I hope we could all get together completely. I miss the dancing, the laughter, and everything about all of you.

Congratulations to our beloved Mayor Arlene for a successful filing of her candidacy as a representative to the first district of Laguna. I believe in your pure intention to serve the public. And the Centro Ladies know you can make it.

Yours in Rotary,

World Class President

Delphi Penelope "Pen" Cuya

ROTARY CORNER

GOVERNANCE DOCUMENTS

Clubs and districts are guided by the Manual of Procedure, RI Constitution, and RI Bylaws. These documents provide the structure for RI's policies and procedures. Every club and district can propose amendments to constitutional documents through the Council of Legislation.

MANUAL OF PROCEDURE

The Manual of Procedure offers a concise version of Rotary's policies and procedures. The manual is geared to Rotary club and district leaders and features information that's most relevant to their roles. It is published every three years to reflect adopted legislation and decisions of the RI conventions, the Council on Legislation, the Rotary International Board of Directors, and the Trustees of The Rotary Foundation.

The manual covers these key areas:

- Structure: Includes policies and procedures for clubs, districts, zones, Rotary International, and The Rotary Foundation.
- Carrying out Rotary's mission: Includes the structure, policies, and procedures of the programs of RI and the Foundation

ROTARY CORNER

- International Meetings: Includes the RI Convention, Council on Legislation, and International Assembly
- Rotary's constitutional and legal documents

ROTARY'S CONSTITUTIONAL DOCUMENTS

The Rotary International constitutional documents provide club and districts the foundation for RI's policies and procedures.

- Constitution of Rotary International
- Bylaws of Rotary International
- Standard Rotary Club Constitution

All clubs admitted to Rotary membership must adopt this constitution.

Recommended Rotary Club Bylaws

Clubs can tailor their bylaws, as long as their changes align with Rotary's constitutional documents and the Rotary Code of Policies. If you have doubts about your proposed changes, please submit them to the general secretary for the RI Board to consider.

ROTARY CODE OF POLICIES

The Rotary Code of Policies compiles all of the organization's general and permanent policies. A revised document is available after each meeting of the RI Board and the Council on Legislation. The Rotary Foundation Code of Policies is maintained in a separate document.

ROTARY AND SHELTERBOX SUPPORT SYRIAN REFUGEES

A refugee family from Syria seeks shelter in cramped conditions on the Greek island of Lesbos.

In Syria, where a civil war has been raging since 2011, more than 6,000 people flee the country every day. As of September, more than 4.1 million people have become refugees, and 7.6 million more have been internally displaced.

"The plight of Syria's refugees is a litmus test for the world's compassion," says Rotary International General Secretary John Hewko. "Rotary members worldwide are profoundly disheartened by the refugee crisis now unfolding in Syria and other parts of the world," which the United Nations has described as the worst in decades.

ROTARY INTERNATIONAL

News & Updates

"Rotary is following the situation closely," Hewko says. "We know our members have an inherent desire to act, to relieve the suffering and uncertainty that displaced individuals and families are facing. We call on you to respond as Rotarians have for more than 100 years: to use your professional skills and acumen, leverage your connections to other leaders, and mobilize your local communities to provide the necessary resources and funding to address the humanitarian crisis."

Rotary members can donate to the disaster relief efforts of our project partner ShelterBox. The organization has supported the Syrian relief effort for nearly four years and is working with other agencies to continue distributing relief materials. ShelterBox is also working with communities in Greece to provide aid and supplies to displaced people passing through the region.

Rachel Harvey, a member of a ShelterBox response team that recently returned from Greece, says Syrian refugees are making dangerous crossings to the shores of Greece.

As many as 2,000 people arrive daily on Lesbos' northern beaches, says Harvey, referring to a Greek island in the Aegean Sea off the Turkish coast. The trip from Turkey to Greece usually takes about an hour and a half. "The flimsy rubber dinghies are invariably overcrowded, and the majority of passengers can't swim," she says.

Harvey adds: "The experience is terrifying. Another trauma added to the layers that many of the displaced have accumulated through war in Syria or South Sudan, insecurity in Afghanistan or Pakistan. One man told me: 'It was a nightmare. I don't know how we got through that trip,' " she says.

Says Hewko: "We appreciate our clubs and members for their support, helping the millions of displaced people find shelter and rebuild their lives and communities. Every refugee is in our hearts and minds."

Rotary Historic Moments

Roots Of Rotary's Polio Efforts

On 29 September 1979, Rotarians and delegates of the Philippine Ministry of Health looked on as volunteers administered drops of the lifesaving Sabin polio vaccine to children in the Manila barrio of Guadalupe Viejo.

When James L. Bomar Jr., then RI president, put the first drops of vaccine into a child's mouth, he ceremonially launched the Philippine poliomyelitis immunization effort, and Rotary's first Health, Hunger and Humanity (3-H) Grant project was underway. Bomar joined Enrique M. Garcia, the country's minister of health, in signing the contract committing Rotary International and the government of the Philippines to a joint multi-year effort to immunize about six million children against polio at a cost of about US\$760,000.

Rotary Historic Moments

In a 1993 interview, Bomar reminisced about the trip. He recalled how the brother of one of the children he had immunized tugged on his pant leg to get his attention, and said, "Thank you, thank you, Rotary."

The success of this project set the stage for Rotary's top priority to rid the world of polio. As a result of Rotary's efforts, more than 2.5 billion children have received the oral polio vaccine. Since Rotary launched its PolioPlus campaign in 1985, the number of polio cases worldwide has dropped 99 percent, and the virus remains endemic in only threecountries -- Afghanistan, Nigeria, and Pakistan.
