Preserve us faithful to these ideals. Let us stand firm when the fight is hard. Give us strength sufficient for this day. Make us as big as our problems and to stay bigger than our responsibilities. God help us to live up to our capabilities. Amen.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third. The application of the ideal of service in every Rotarian's personal, business, and community life;

Fourth. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

RC Centro's GREAT!

President's Message

Dear Centro Ladies,

We have our version of exciting firsts last week. Our first project which had a nice kick, joining sta. Rosa clubs, the citronella planting, and our first meeting joined by our beloved mother club, RC sta. Rosa cooperated by RC Cabuyao. This is the kind of activity which our dear governor Pepe Estevez have been hoping for, the merging groups of rotarians providing service to their communities.

Seeing everybody, almost, during our first meeting gave me a feeling of excitement just like the first time i joined this club. I hope i could share that same feeling to you, especially when we were joined by other clubs, make new friends and great community service partners out of them. This not just about fellowship dear ladies, it's the heart of service that drives us to stick to each other.

Let us look forward to do our future projects not because we want to be the best club in the district. But to enjoy each other and do service as to where our hearts lead. We have done it before, we can still do it now!

Congratulations ladies for our first projects well carried out.

Yours in Rotary,

World Class President

News & Updates

DG Jose "Pepe" Estevez, Jr
RI District 3820 World Class
Governor RY 2015-2016

The new District Governor of District 3820, Jose Estevez, Jr. is one of the founding members of the newly organized Rotary Club of Legazpi West in 1980 at the age of 26, the youngest among the first batch of 25 charter members. Being a civic-spirited person, he was able to adjust and blend well with a more senior organization that gave him more elbow room to do community and humanitarian service. Thus, Pepe rose from the ranks starting as a member until he became a club President in 1988-1989. Among his notable contributions and accomplishments as president were the club's weekly newsletter that he started, cleft-lip & palate surgical missions, membership enhancement, a goodwill mission to Taipei City, business fora and for many years he provided a decent venue for the club to meet, that soon became a "second home" to many Rotarians.

He continued on with his Rotary involvement in the District level, serving in various capacities as District Secretary in 2003-2004, two times as member of the Nominating Committee, as District Governor Special Representative, when he was given the task to assist in the formation of the Rotary Club of Tabaco and later the Rotary Club of Legazpi Central. He served as Assistant Governor in 2005 and again in 2009. And on these two occasions, he introduced a new concept promoting close coordination and mutual cooperation among contiguous clubs with the purpose of strengthening harmonious relationship through joint undertakings and linkages. This adopted concept gave rise to what is now known as the AG4 Council.

Because of his inclination to be involved in socio-civic undertakings, he made himself available to other organizations where he likewise excelled. As Chapter President of Legazpi Jaycees and as National Vice President of the Philippine Jaycees. He is Jake Gonzales Fellow and JCI Senator. In the business sector, he became President of the Albay Chamber of Commerce & Industry for three consecutive years and Chairman of the Albay Small & Medium Enterprise for the same number of years. He received prestigious awards given by the Philippine Chamber of Commerce & Industry where he also served as its Regional Governor for two more years. In 2012, he became Chairman of the Board of the Albay-Legazpi City Red Cross Chapter where he served as a volunteer for many years.

As a scion of a former Governor of Albay, he served as Vice Mayor of Legazpi City in 1992 and as Board Member of the Province of Albay in 2004, and also became a member of the Regional Development Council of Bicol.

He is a product of Catholic schools from grade school until he finished AB Economics at the Ateneo de Manila University and a short course in Tokyo, Japan by way of a study grant.

A businessman by profession, he is married to Lilibeth del Rosario Estevez of Bulacan who is a graduate of pharmacy at UST. They are blessed with five children.

President's Message

K.R. "RAVI" RAVINDRAN
RI PRESIDENT 2015-16

We in Rotary aspire to great deeds. We admire those who gave great gifts to humanity: Abraham Lincoln, who gave the gift of human dignity to the downtrodden; Mother Teresa, who gave the gift of compassion to the forgotten; Mahatma Gandhi, who gave the gift of peaceful change to the oppressed. Their very lives became gifts to the world.

We can be inspired by their example. We can be inspired to ask, how can I, in the life that I live – without neglecting the responsibilities that are so dear to me – how can I, too, become a gift to the world? As I considered my theme, I thought of the lessons I have learned through my Hindu faith. I thought especially of the story of Sudama. Sudama was a poor child and a bosom friend of Krishna, who was born in a royal lineage as an avatar – an incarnation of the divine. As the two boys grow up, they drift apart, and while Krishna becomes a military leader and king of great repute, Sudama remains a humble villager.

The years go by and Sudama's poverty deepens. Finally, he lacks even food to feed his children. His wife reminds him of his childhood friendship with Krishna: Perhaps it is time to go to the mighty ruler for help. Reluctantly, Sudama agrees, but resolves that he will not go empty-handed. He gathers together a few handfuls of rice – all the food his family has left – and wraps them in a piece of cloth as a gift for his friend.

When Sudama enters the palace, he is overwhelmed by the grandeur and by Krishna's gracious welcome. His meager gift, so carefully prepared, seems a humiliating reminder of his poverty. Krishna embraces Sudama, who hides the hand holding the rice behind his back. Krishna asks what he is holding.

Far from being disdainful, Krishna accepts the rice with gratitude and consumes it with joy as the two sit and talk together. Hours pass, during which the pleasures of their rekindled friendship push all thoughts of his desperate plight from Sudama's mind. When evening falls, Sudama sets out for home – and only then realizes that he has neglected his task. He is returning with nothing, and Krishna has eaten his family's last grains of rice.

Sudama steels himself to return to his hungry children. But standing before his gate, as dawn begins to break, he sees that the hut he left yesterday has become a stately home, and waiting to greet him is his own family: well-dressed, and well-fed by the baskets of food that appeared in their kitchen as Krishna ate each grain of Sudama's rice.

Krishna understood what Sudama had brought him: everything he had to give. In return, Krishna gave him everything he needed. It is never the material value of a gift that matters – it is the love that comes with it. Just as Sudama's gift to Krishna became a gift to Sudama, what we give through Rotary becomes a gift to us. And we all have a choice: whether to keep our gifts to ourselves or give them to others, and Be a Gift to the World.

We have only one chance at our lives. And we will have only one chance at this new Rotary year. This is our time. Let us grasp it.

Let us Be a Gift to the World.

Reflections

“...If we heed the guide posts and danger signals which seers have hung out for the benefit of travelers on life's highway, we shall not look for happiness in the possession of money, nor in the possession of things which money will buy.”

Paul Harris message on the 30th anniversary of Rotary, 1935

“Friendship was the foundation rock on which Rotary was built and tolerance is the element which holds it together.”

For your Information

Things you do every day to cause eye wrinkles

Eye makeup remover

While the oils in eye makeup removers can actually be beneficial (they keep the skin hydrated), the intense rubbing that goes along with them is not so beneficial.

Eyebrow waxing

Think about this one: The hot wax heats your skin, allowing it to reach into every little crevice and pore. Then, it is vigorously ripped off your very thin eyelid, stretching and pulling the elasticity to its limits.

Fake eyelashes

Yes, I hate this one too. Fake eyelashes work wonders — your eyes double in size and boys fall at your feet — but their magic ends there.

Contact lenses

Everyone has their own special way of inserting contact lenses. Maybe you don't need to extend your eyelid that far down. Maybe you don't need to lift your eyebrows as high.

Not wearing sunglasses

Always keep an extra pair of sunglasses in your car. They will help you ward off wrinkles in very important ways.

Sunscreen (or lack of)

Wear it. No ifs, ands or buts! For daily sunscreen, you should be coating your face with at least SPF 30.

Sleeping positions

You're not actually getting "beauty" rest if you're sleeping on your stomach or side. Tell those crow's feet to keep walking and learn to sleep on your back.
