We thank you Lord for this Rotary meeting. We invoke your blessings on this meeting and all who grace it with their presence. Be with us this day and always by strengthening our belief to take action. A belief shared by all Rotarians to get involved in their communities and use their skills to help others. This prayer we make in Jesus name, Amen.

## Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First.** The development of acquaintance as an opportunity for service;

**Second.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third.** The application of the ideal of service in every Rotarian's personal, business, and community life;

**Fourth.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

## President's Message

Dear Centro Ladies,

Congratulations to our club for a successful governor's visit and induction. The joy I saw on your faces was priceless. Added to the happiness it brings was the induction 3 of our newest club members. I am optimistic that we can carry out the plans and activities we have presented and hopefully to add more valuable projects which can be useful to the community we are reaching.

To the newly inducted members. Enjoy Rotary. People get in for community service, and stayed for fellowships. Yes you gain friendships once you enter the club. We welcome you with open arms.

Also, to our ROTEX Leire, welcome! Enjoy the school you will be in, make good friends and enjoy staying with your host families. You will surely treasure all the memories. Just like what Andrea had.

Thank you Centro Ladies for all the support that you gave to make this activity a fruitful one.

Once again congratulations to the club!

Yours in Rotary,

**World Class President**

## **VOCATIONAL TRAINING TEAMS**

Dear Fellow World Class Rotarians of District 3820,

Greetings!

Vocational Training Teams build on TRF's deep- rooted commitment to vocational training which first started by the Group Study Exchange Program. Vocational Training Teams are group of professionals who travel abroad either to teach local professionals about a particular field or to learn more about their own professions.

It moved a step further by including the requirements for meeting one or more of the Six Areas of Focus; namely, Maternal and Child Health, Disease Prevention and Treatment, Economic and Community Development, Peace and Conflict Resolution, Water and Sanitation, and Basic Education and Literacy.

For Rotary Year 2015 – 2016 Vocational Training Team (VTT) focuses on Economic and Community Development. Our district will be sending a team of professionals in allied engineering field. The training will be held at the Geoje Shipyard of the Samsung Heavy Industries. Samsung Heavy Industries is one of the largest shipbuilders in the world and Geoje Shipyard is the largest shipyard in South Korea.

The Philippines, so far is the fourth largest shipbuilder, next to Korea, China and Japan. Being the 2nd largest archipelago in the world, making it suitable to build a shipbuilding base, Philippines' geographic structure and location became one of the primary factors for it to be the shipbuilding and repair hub in Asia.

Aware of the increasing number of workers required to be employed in the shipyards, RI District 3820 and RI District 3590 partnered to provide skills training and international exposure to engineering professionals to improve and enhance their level of competencies.

## RI District 3820 News & Updates

Who are qualified to apply for outbound Vocational Training Team (VTT)?  
For Team Leaders and Team Members.

1. Engineers .i.e. Mechanical Engineers, Electrical Engineers, Civil Engineers or Marine Engineers preferably working in the shipyard. Those engineers who work in other industries or place of work may also apply.
2. All team members must have at least two years of professional experience in their chosen profession.
3. Non-Rotarian members must be between the ages of 25-45. He/she must be exemplary in his/her business or professional conduct, a team player, and capable of deriving maximum educational value from the program. He/she must present a medical certificate declaring that the candidate is in good health.
4. Team leader must have served his/her club as president for one whole term. He/she must have expertise in the area of focus, international experience, and general knowledge about Rotary. The team leader must inspire the team with a sense of mission. There is no restriction on the age of the team leader but he/she must be in good health and of general well-being.
5. All team members and team leaders should possess a passport valid for at least one (1) year.
6. All team members and team leaders should be properly endorsed by the sponsoring club thru board resolution duly signed by the incumbent Club President and Club Secretary.

Duration of the program is three weeks for the outbound team. It will commence on October 1 to October 21, 2015. The District VTT Selection will be held on August 9, 2015 at Ginazel's Hotel and Restaurant, Batangas City to be hosted by Rotary Club Downtown Batangas City.

Please fill out the attached application form and include a hard copy of your curriculum vitae or resume together with the application. Team leader 5 copies; team member application 5 copies. Deadline of application is on August 7, 2015.

### LIFECYCLE OF A PROJECT

From planning and supporting your effort to promoting and evaluating its impact, these resources can help ensure success throughout the lifecycle of your project:

- Planning & organizing
- Acquiring resources
- Implementing your project
- Evaluating & promoting

#### **PLANNING & ORGANIZING**

Service projects that are well planned and managed can have a strong impact and create effective and transparent communication between your community and club.

#### **REFER TO OUR GUIDEBOOK**

Before starting your project, read *Communities in Action: A Guide to Effective Projects* to help you set goals and develop a realistic timeline.

#### **CONDUCT A COMMUNITY ASSESSMENT**

Work with your community to identify a need, how best to address it, and what resources are available.

#### **USE THE DISCUSSION GROUP**

Discuss your ideas and get advice from the Rotary online community using the Project Lifecycle Resources group.

#### **CREATE A PROJECT PLAN**

A comprehensive project plan will help you manage your resources, anticipate problems, and evaluate your project's success. Form a club service projects committee to oversee your projects.

### Do-it-yourself ice cream treats

#### MAGNUM AFFOGATO

What you need:

Coffee (any kind, even 3-in-1 coffee will work)

Vanilla Magnum

- Remove the chocolate coating to make a naked Magnum.
- Place the naked Magnum inside a cup.
- You can add some of the chocolate coating or you can eat all of it, it's up to you.
- Pour the hot coffee over the naked Magnum and use the Magnum to stir your coffee.

#### MAGNUM COOKIES AND MILK

What you need:

Cookies (store-bought is fine but if you like baking, you can make your own)

Milk

Vanilla Magnum

Break the cookies into pieces and put them in a cup or bowl.

- Put the Magnum on top of the cookie pieces.
- Top with more cookie pieces.
- Pour the milk over the Magnum and cookies—the milk can be warm or cold, it's up to you.
- Let the cookies soak in the milk.
- Eat with a spoon.
