President's Message

Hello Ladies,

Two weeks ago, we witnessed the heroism of our uniformed brothers when 44 of them offered their lives in the Mamasapano clash to capture an international terrorist. Two of them are our fellows from Santa Rosa.

This week, one more of our policemen died in an incident when a juvenile delinquent attempted to disturb the peace in a mall here in the City. He is known to me personally because he is a member of my security.

People, whether known or not to the families, sent their condolences and prayers to the grieving families. Some personally went to designated places to pay their last respects to these heroes.

But I also would like give homage to the women who lost their husbands, sons or brothers. They are the ones now left with the responsibility to take care and provide for their families. They now have to take the role of their departed love ones. As writer C. Joybell said, *"The strength of a woman is not measured by the impact that all her hardships in life have had on her; but the strength of a woman is measured by the extent of her refusal to allow those hardships to dictate her and who she becomes."*

To these women, I also give my salute. They best represent the tenderness and strength of a woman, and we ought to admire and emulate them.

Yours in Rotary,

Best Class President Arlene "Mayor" Arcillas

ROTARY INTERNATIONAL
News & Updates

GARY C.K. HUANG

Presidential Message
February 2015

As president of Rotary, it's my job to encourage and inspire Rotarians wherever I meet them. It's also my job to listen to what they have to say. Whether it's a successful project or a challenge to overcome, a great Rotary Day or a new idea, I want to hear what Rotarians are thinking, doing, and planning. So whenever I travel, I ask my hosts to talk to me about their clubs. What's going well, where do they see a need to improve, and what can we at RI headquarters do to help?

The answers are always interesting and often surprising. Sometimes I have a suggestion or an idea to contribute; sometimes I am able to make a connection that will move a project forward. Often, I go back to Evanston with ideas and insights that help guide us in our decisions. But what I value most about these conversations are the stories I hear – the stories that, taken together, tell the story of Rotary.

In Atlanta, I attended a Rotary event honoring teachers and heard story after story about the gift of literacy and how it transforms lives. In Istanbul, I attended a wheelchair race and learned how Turkish Rotarians are working to improve the lives of people with disabilities. In Lima, Peru, I talked to a former Rotaractor who waited nearly 20 years to be invited to join a Rotary club, and heard about how returning to Rotary has transformed her life.

I've heard stories that have made me laugh, and stories that have moved me to tears. I've heard stories of how our service changes the lives of others, and how it changes us as Rotarians. When I hear these stories, I can't help but wonder: How many other lives could we change for the better by bringing more people into Rotary? And how many more people could we bring into Rotary simply by sharing our own Rotary stories?

In this Rotary year, I ask all of you to do just that: Share your Rotary stories. Tell them to your friends, on social media, and through Rotary.org. Our Rotary stories are what inspire us, and what encourage others to join us; they help light up our service, as we work to Light Up Rotary.

ROTARY INTERNATIONAL News & Updates

Be a gift to the world

Our time on this earth is finite, and it's always shorter than we think. How do we want to spend it? Or will we spend our days, as the famous Indian poet Rabindranath Tagore wrote, in stringing and unstringing our instruments, while the song we came to sing remains unsung? The glory of Rotary is that it helps us find a way to sing that song. It guides us on a path to living richer, more meaningful lives, by encouraging us to focus our attention on the things that matter — and helping each of us find our own way to be a gift to the world. If we ask ourselves what characteristics we value most in our friends, most of us would answer similarly: integrity, trustworthiness, caring, compatibility. Our friends are not necessarily the people who are most like us but the ones who complement us, who bring out the best in us. That, to me, is precisely what we can find in Rotary. Rotary is a way to bring out the best part of ourselves, and let it guide our lives. Too often, we spend our days in pursuit of the goals that should matter least. We focus our attention on our own achievements and our own gain; we devote endless energy to the accumulation of material things. Yet at the end of our lives, no one will remember us for the cars we drove, the clothes we wore, the titles we carried, or the offices we sat in. We will not be admired for the efforts we poured into making our own lives richer or our own status higher. In the end, our worth will be measured not by how much we acquired, but by how much we gave away. Will we avert our eyes

from suffering, or will we alleviate it? Will we speak words of compassion, or will we act on them? Will we be content only to take from the world — or will we give to it? In the 2015-16 Rotary year, our theme will be Be a Gift to the World. Every one of us has something to give — whoever we are, whatever our place in life. We can give our talent, our knowledge, our abilities, and our effort; we can give our dedication and our devotion. Through Rotary, we can take these gifts and make a genuine difference in the lives of others and in our world. It is said that we are born with our fists clenched, It is said that we are born with our fists clenched, but we die with our hands open, and that our talents are the gift that God gave us. What we make of our talents is our gift back to God. Equally we come into this world grasping at everything, but when we leave it, we leave all material things behind as well. Through Rotary, we can leave behind something real and lasting. Our time is now. It will never come again. Be a Gift to the World.

1st Centro Spelling Bee

By : Rtn Myrna Valle

The Rotary Club of Sta. Rosa Centro held its very first CENTRO Spelling Bee contest on February 7, 2015 at the Gabaldon Hall of Sta. Rosa Elementary School Central 2.

This forms part of the club's thrusts towards Literacy and the Youth, both very important areas of focus of Rotary International.

A total of 17 schools sent their best spellers to compete; with 11 grade school contestants and 13 high school contestants. With their respective coaches, teachers, parents, and friends, the students reported to the contest venue as early as 8:00 a.m. After some preliminaries in the program and introduction of the contestants and their coaches, the contest proper began with the elimination round. Director Cecile Gabatan stood as the quiz master.

The grade school contestants started off with an easy round of 15 words, after which the contestants were trimmed down to eight. Next was the difficult round with 12 words wherein four contestants emerged at the finalists. The same process was done for the 13 high school contestants.

During the short break, program emcee PP Liza Pineda introduced the members of the board of judges namely, Ms. Edds Addun from One Meralco Foundation, Ms. Nympha Madulid from SM Foundation and PDG Chit Lijauco for the Rotary Club of Sta. Rosa Centro.

Reflections

“Rotary must not content itself with being anything less than a movement affecting the lives of all men and women; its requirements are so simple, its doctrines so universally acceptable that its sponsors are not visionary in thinking of Rotary as an all pervading influence.”

Paul P Harris, The
Founder of Rotary” 1928

“Untold blessings have come...with the conquering of disease and the lengthening of life, but have we stopped to consider the wonderful growth of understanding... the expanding kindness and goodness in our social relationships? These have come with a very natural desire to enjoy a higher and higher plane of civilization.” — Address to 1929 Rotary Convention, Dallas, Texas, USA

Fun facts about Valentine's Day

When did it all start?

There are various theories on the origin of Valentine's Day, but the most popular dates back to the time of the Roman Empire during the reign of Claudius II, 270 A.D. Claudius didn't want men to marry during wartime because he believed single men made better soldiers. Bishop Valentine went against his wishes and performed secret wedding ceremonies. For this, Valentine was jailed and then executed by order of the Emperor on Feb. 14. While in jail, he wrote a love note to the jailor's daughter, signing it, "From your Valentine." Sound familiar?

More Valentine's Day-related history

- The ancient Romans celebrated the Feast of Lupercalia on Feb. 14 in honor of Juno, the queen of the Roman gods and goddesses. Juno was also the goddess of women and marriage.
- Girls of medieval times ate bizarre foods on St. Valentine's Day to make them dream of their future spouse.
- In the Middle Ages, young men and women drew names from a bowl to see who would be their Valentine. They would wear this name pinned onto their sleeves for one week for everyone to see. This was the origin of the expression "to wear your heart on your sleeve."
- In 1537, England's King Henry VII officially declared Feb. 14 the holiday of St. Valentine's Day.

Flowers

- 73 percent of people who buy flowers for Valentine's Day are men, while only 27 percent are women.
