President's Message

Dear Centro ladies,

First of all, I would like to congratulate the new Club Administration Committee for RY 2013-14 for already doing their job though the new Rotary Year has not started yet. Thanks to Rtn Cecile for the new layout of the bulletin and creating our website; and to Rtn Pen for the program this Friday.

I would like also to congratulate the members of our club for the very productive Club Assembly last Friday. And because there are still many issues we need to tackle, we'll be having part 2 on May 31. Compliments to PE Doray for the good selection of her team. These, I believe are indications of our club's growth.

So ladies, let us keep the flame of enthusiasm and passion to serve.

Yours in Rotary Service,

Liza Pineda

ROTARY INFORMATION

Birth of the Rotary's **FOUR-WAY TEST**

There are several ways to describe what Rotary is all about. One is the slogan that we use, "Service Above Self . . . He Profits Most Who Serves Best". That is certainly a high and noble ideal that has lifted many a man or woman out of themselves and set their vision on the heights.

Another ideal around the world is "The Four-Way Test" and it is one of the most famous statements of our Century. Like most things worthwhile, it came into existence because of one man. Great things are not normally accomplished by a committee. Most things of value in this world have been done because of a special person. Great things are done by human beings, who are committed to a cause.

I want to tell you about The Four Way Test and Herbert J. Taylor, a man of action, faith, and high moral principle. Born in Michigan, he married in 1919 and moved to Oklahoma where he worked for the Sinclair Oil Company. After a year, he resigned and went into Insurance, Real Estate, and Oil Lease Brokerage. He was a mover, a doer, a consummate salesman, and a leader of men.

With some prosperous years behind him, Herb returned to Chicago in 1925 and began a swift rise within the old Jewel Tea Company. In line for the presidency of Jewel in 1932, he was asked to help revive the near-bankrupt Club Aluminum Company. Looking for a way to resuscitate the company, caught in the great depression, Herb prayed (he was a deeply religious man) for a short measuring stick of ethics, the staff could use.

Herb had a little black book where he jotted down things he wanted to remember. As he thought about an ethical measuring stick for the company, he first wrote a statement of about 100 words and decided that was too long. He continued to work, reducing it to seven points. Yes . . .the Four Way Test was once the Seven Way Test. It was still too long and he finally reduced it to the four searching questions, which comprise the test today.

There was a man . . .Herbert J. Taylor and now there was The Four-Way Test.

- **Is it the TRUTH?**
- **Is it FAIR to all Concerned?**
- **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- **Will it be BENEFICIAL to all concerned?**

Simply written, yet it is as profound as it is simple. The words became the basis for decisions, large and small, at Club Aluminum.

(excerpts from a speech by Darrell Thompson)

Rotary International News & Updates

In a ceremony heavy with symbolism, RI President Sakuji Tanaka joined other Rotary and community leaders 17 May in laying a wreath in Hiroshima Memorial Park, dedicated to the victims of the atomic bomb dropped on the city during World War II.

LET US INTRODUCE YOU TO
OUR ROTARY.

ROTARY BASICS

The Rotary is a global organization of people who apply their leadership, expertise, and diverse perspectives to solving social issues — and build lifelong friendships in the process.

So, how should *one* get involved in Rotary?

Volunteer your Skills

- ✓ Talk to club members where your expertise is most needed
- ✓ Serve on a club committee
- ✓ Attend your club's assembly and help plan club activities

Improve your Community

- ✓ Volunteer to help with your club's signature project — one your club is known for in the community.
- ✓ Work with a youth program sponsored by your club, such as Interact.
- ✓ Identify a need in your community and suggest a hands-on project that addresses this need.

Build your Network

- ✓ Attend as many club meetings as you can.
Connect with different people each time.
- ✓ Join a Rotary Fellowship and meet Rotarians in other countries who share your interests.
- ✓ Go to your district conference and the RI Convention.
- ✓ Check out another Rotary club's meeting.

THE OBJECT OF ROTARY

THE OBJECT OF ROTARY IS TO ENCOURAGE AND FOSTER THE IDEAL OF SERVICE AS A BASIS OF WORTHY ENTERPRISE AND, IN PARTICULAR, TO ENCOURAGE AND FOSTER:

1. THE DEVELOPMENT OF ACQUAINTANCE AS AN OPPORTUNITY FOR SERVICE;
2. HIGH ETHICAL STANDARDS IN BUSINESS AND PROFESSIONS; THE RECOGNITION OF THE WORTHINESS OF ALL USEFUL OCCUPATIONS; AND THE DIGNIFYING OF EACH ROTARIAN'S OCCUPATION AS AN OPPORTUNITY TO SERVE SOCIETY;
3. THE APPLICATION OF THE IDEAL OF SERVICE IN EACH ROTARIAN'S PERSONAL, BUSINESS, AND COMMUNITY LIFE;
4. THE ADVANCEMENT OF INTERNATIONAL UNDERSTANDING, GOODWILL, AND PEACE THROUGH A WORLD FELLOWSHIP OF BUSINESS AND PROFESSIONAL PERSONS UNITED IN THE IDEAL OF SERVICE.

"We are here on earth and we are here to stay during our respectively allotted periods. How much of happiness and how much of misery shall be our share remains with us almost entirely to determine. If we possess a modicum of reason, it will be apparent to us that it is the part of wisdom to cheerfully make the best of the situation and to harmonize our own lives with nature's inexorable laws. We are entitled to the maximum of happiness; and may we be sane enough to observe that the route to a life full of happiness does not lie in intemperate indulgence.

We need and the world needs an optimistic, rational philosophy of life."

Health & Wellness

[Heredity plays a large part on our bone health, but our lifestyle can make a huge impact too.](#)

Although older women are the most common victims of osteoporosis, men and younger women are not exempt from this painful disease.

[It's not enough to just get food in your stomach.](#) Your body needs nutritious food and lots of water to keep your body fit and healthy.

[Exercise does more than just condition your body.](#) Your brain and other internal organs will also function more efficiently when your body is active.

[Massages don't just feel good, they are also great for you!](#) Include a massage as part of your exercise program to make you less

[Idleness isn't all bad.](#) Relaxing is just as important as working and getting enough exercise, and that means inserting enough sleep and a decent amount of play into your schedule.

[There are several ways for people who stay long hours in the office to burn calories,](#) such as taking the stairs instead of the elevator (even for just a couple of floors).

[If you're like a lot of people, you're probably already consuming more sodium than is healthy for you.](#)

It's not just the salt that you add to your food that you have to think about; many processed and prepared foods already contain too much sodium.

[Sugar is added to so many foods and beverages that most of us don't even notice when we're getting too much of it anymore.](#) Worst part is that this added sugar may be one of the causes in the rise of obesity and other health problems.
