#### **EDITORIAL**

#### **Happy New Rotary Year !!**

A new rotary year, a new President, a new set of officers, a new set of goals, hopefully not a year of rehashes.

The Rotary Club of Sta. Rosa Centro's turnover and awarding ceremony was held recently. Great President Geralyn Dee breaths a sigh of relief and incoming Inspiring President Michelle Baldemor is starting to feel the jitters. But it is a start and a new beginning for both. IPP Jay may see it as the end of her term but can actually mean the start of more family time. To President Michelle, it probably is a tense start but it is an end to being "simply" a member and be in control.

We don't need to stress ourselves when we turn a new leaf in our lives. We'd all the more be disappointed if our life has gone at a standstill. We sometimes need to delete photos in our phone or laptop so we can have room for new memories. We sometimes need to stop being who we were because the changes may be who you are now and be surprised that you will fell in love with you, version 2.0.

# ROTARY INTERNATIONAL News & Updates

## RI PRESIDENT Barry Rassin President, RY 2018-2019

Rotary International President-elect Barry Rassin laid out his vision for the future of the organization on Sunday, calling on leaders to work for a sustainable future and to inspire Rotarians and the community at large.

Rassin, a member of the Rotary Club of East Nassau, New Providence, Bahamas, unveiled the 2018-19 presidential theme, Be the Inspiration, to incoming district governors at Rotary's International Assembly in San Diego, California, USA. "I want you to inspire in your clubs, your Rotarians, that desire for something greater. The drive to do more, to be more, to create something that will live beyond each of us."

Rassin stressed the power of Rotary's new vision statement, "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves." This describes the Rotary that leaders must help build, he said.

To achieve this vision, the president-elect said, Rotarians must take care of the organization: "We are a membership organization first. And if we want to be able to serve, if we want to succeed in our goals — we have to take care of our members first."

Rassin asked the incoming district governors to "inspire the club presidents, and the Rotarians in your districts, to want to change. To want to do more. To want to reach their own potential. It's your job to motivate them — and help them find their own way forward."

#### **ROTARY CORNER**

# WHY THE ROTARY YEAR BEGINS 1 JULY

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention. The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year.

Rotary's first fiscal year began the day after the first convention ended. The convention of the Rotary Clubs of America was held in Rotary's birthplace, Chicago, in 1910.

## **Reflections**

We are here on earth and we are here to stay during our respectively allotted periods. How much of happiness and how much of misery shall be our share

remains with us almost entirely to determine. If we possess a modicum of reason, it will be apparent to us that it is the part of wisdom to cheerfully make the best of the situation and to harmonize our own lives

with nature's inexorable laws.
We are entitled to the maximum
of happiness; and may we be
sane enough to observe that
the route to a life full of
happiness does not lie in
intemperate indulgence..- The
Distance Self" by Paul P Harris

- The Rotarian, February 1914

"Friendship...the craving for which brought Rotary into existence is the thing that will keep Rotary a living, vital force in the world for all time, the very foundation of our organization."
