We invoke your blessing upon this meeting . May we prove ourselves worthy citizens of our country, devoted to truth, sincere in fellowship, given to service, and confident in steadfast faith. Preserve us faithful to these ideals. Let us stand firm when the fight is hard. Give us strength sufficient for this day. Make us as big as our problems and to stay bigger than our responsibilities. God help us to live up to our capabilities. Amen

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and

President's Message

Good day Centronians!

I am happy and overwhelmed by the opening of Rotary Year 2018-'19 with the theme 'BE THE INSPIRATION.' With your warm and continuous support to our club projects and activities, we made it possible to be the inspiration. On our 2nd Regular meeting we were able to hear one of the good speakers in our District, PDG Mike Lirio, who enlightened us the importance of our continuous contributions to The Rotary Foundation (TRF) which supports the thrust of Rotary International such as making peace, fighting disease, providing clean water, saving mothers and children, supporting education, and flourishing local economies. Last July 14, our baby project a year ago, "STORY TELLING," was launched again for its second year with the theme "Nutrition Month" to be held at the Sta. Rosa City public library with almost 600 students benefited yearly. Last July 15, we were able to strike our kick off project TREE PLANTING at Pakil, Laguna, together with our sister clubs – Sta. Rosa South, Nuvali, and Metro San Pedro – and in collaboration with Mayor Vince Soriano of the said town. Almost 500 trees were planted and I believe that some of the great reasons to plant trees are to reduce air conditioning cost, solve flood problems, remove air pollution, and most of all, TREES help us breathe.

To all the members who participated and contributed to those projects and activities, from the bottom of my heart, thank you very much. These experiences and learnings are deposited to my memory bank to treasure for the rest of my life.

Yours in Rotary,

Rotary is ... LOVE

Do you believe that everything happens for a reason?

Yes? Or no?

I believe all of us are Rotarians for a reason. Maybe a calling, or a mission? Or a realization of our purpose in life?

Last March 21, 2001, the Rotary Club of Sta. Rosa Centro was born and I was able to witness it as I am one of its charter members. It was the day that we took our oath with Rotary's motto, "Service Above Self," which was also the Rotary's theme when I was president of our club, Rotary Year 2005-2006.

It was also the day that I started to practice sharing my 3t's – time, talent, and treasure. From then on, many good things and challenges happened in my life, but I believe that once you become a Rotarian, you will always be a Rotarian. You may lay low for a while but you will feel incomplete if you cannot attend Rotary meetings, district events, international conventions, fellowships, and most of all, Rotary projects, because we know that, in our own little way, we give back to god what we have and we empower the community and the youth. And without us knowing it, an overflow of blessings also happens to us, to our families and loved ones.

Rotary is like halu-halo. Halu-halo is very colorful and you love to eat it because it has a variety of ingredients even though each ingredient may have a different indulgence in our taste buds. It is the same in Rotary. In Rotary you will meet all kinds of people, but not all of them will please your principles or standards in life.

But how do we continue to practice our 3t's despite some of these challenges?

The answer is, love lang!

Fellow Rotarians, love is the only reason why we are in rotary. And love is the only reason why we become a Rotarian. Rotary, what a wonderful world!!!

As a saying goes, "there is no exercise better than reaching down and lifting people up."

Rotary recognizes Prime Minister Trudeau for Canada's commitment to ending polio

Canada has been a champion in the fight to eradicate polio since 1986, when it became the first government to formally fund global polio immunization efforts. Canada has provided over CAD \$750 million in support of a polio-free world, including a \$100 million pledge to global eradication in 2017. Earlier this month, Canada, as host of the G7 summit, was joined by G7 leaders in affirming a commitment to polio eradication.

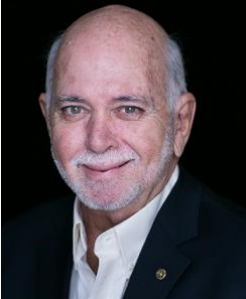

“Prime Minister Trudeau has committed Canada to remain a strong partner until polio is completely eradicated,” said Rotary International President Ian H.S. Riseley. “With the unwavering support of the Prime Minister and the Canadian government and their strong assistance with continued vaccination efforts, I’m confident we will rid the world of polio.”

Later this week, Rotary will announce nearly \$50.12 million in support for global polio eradication efforts in countries where polio is a threat. Since 1988, Rotary has contributed more than \$2.3 billion and countless volunteer hours in the fight to end polio, with Rotary clubs in Canada donating more than \$66.6 million towards polio eradication. Rotary members throughout Canada travel regularly to polio-threatened countries to vaccinate children in mass immunization campaigns.

To help create awareness and support for the global effort to protect all children from polio, Rotary’s international convention will feature two virtual reality videos that will immerse viewers into the lives of those still impacted by the disease, and what it will take to eradicate it worldwide. Download the Rotary VR app in Google Play or the Apple App Store to view “I Dream of an Empty Ward.”

Polio eradication has been Rotary’s top priority since 1985. In 1988, Rotary became a leading partner in the Global Polio Eradication Initiative, along with the World Health Organization, UNICEF, the U.S. Centers for Disease Control and Prevention, and later, the Bill & Melinda Gates Foundation. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 per cent, from about 350,000 cases in 1988 to just 22 confirmed cases in two countries in 2017.

News & Updates**President's Message****July 2018***Barry Rassin*
President 2018-19

One year ago, your Rotary International Board of Directors adopted a new vision statement, reflecting our aspirations for our organization and its future. It reads, "Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."

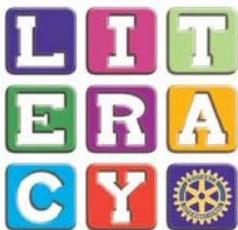

That simple sentence distills so much of what is essential about Rotary. We unite, because we know that we are far stronger together than we could ever be alone. We take action, because we are not dreamers, but doers. We work to create lasting change that will endure long after our involvement has ended – across the globe and in our communities. And perhaps most important of all, we work to create change in ourselves – not just building a better world around us, but becoming better people ourselves.

A quotation attributed to French writer Antoine de Saint-Exupéry goes: "If you want to build a boat, don't begin by collecting wood, cutting boards, or assigning tasks. Begin by awakening in the souls of your workers a longing for the vast and boundless sea." Each of us came to Rotary because we had a longing – to have an impact, to make a difference, to be part of something larger than ourselves. That desire, that vision for a better world and our role in building it, is what drives us in Rotary. It's what made us become members, it's what motivates us to serve, and it's what led me to choose our theme for this Rotary year: Be the Inspiration.

I want to see Rotary Be the Inspiration for our communities by doing work with a transformational impact. It's time to start moving forward, by removing the barriers that are holding us back. Let's make it easier to make adjustments in our clubs or start new clubs that suit different needs. Let's work to strengthen Rotaract and smooth the transition from Rotaract clubs into Rotary. Let's give all Rotarians the flexibility to serve in the ways that work best for them, so that every Rotarian finds enduring value in Rotary membership.

Truly sustainable service, the kind of service we strive for in Rotary, means looking at everything we do as part of a larger global ecology. This year, I ask all of you to Be the Inspiration for sustainable service by addressing the impact of environmental issues on our work. The environment plays a key role in all six of our areas of focus, and that role is only becoming greater as the impact of climate change unfolds. It's time to move past seeing the environment as somehow separate from those six areas. Clean air, water, and land are essential for healthy communities – and essential for the better, healthier future we strive for.

Be the Inspiration – and together we can, and we will, inspire the world.

ROTARY CORNER

The HISTORY OF ROTARY

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth.

On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the

first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years clubs had formed across the country, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius.

As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

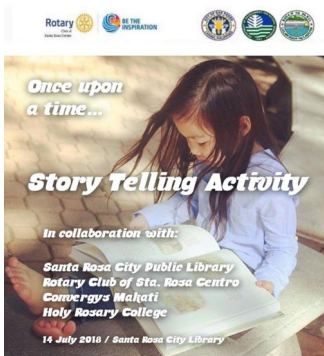

committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year.

Tree Planting at Pakil, Laguna

The Rotary Club of Santa Rosa Centro together with the Rotary Clubs of San Pedro, Santa Rosa South and the Cabuyao Dental Club held a Tree Planting Activity last Sunday, July 15, 2018 at Brgy. Matikiw, Pakil, Laguna. The activity is part of Inspiring Governor Jose Boy Garcia in giving back to the community and to the environment. The club truly appreciates the presence of Mayor Vince Soriano for actively participating in the event.

The Tree Planting Activity aims to raise awareness to the society in the importance of planting and saving trees, express our concern to the environment, and diminish the unfavorable effects of climate change. It also helps us build a strong relationship and camaraderie with each other by helping hand in hand in preserving the ecology.

Understanding The Rotary Foundation

The 2nd Regular Meeting of the club is a joint meeting between RC Sta. Rosa Centro and daughter clubs RC Nuvali and RC Metro Sta. Rosa. The club invited PDG Mike Lirio to talk and impart his knowledge on The Rotary Foundation. One major point of discussion were global grants and district grants.

Meet PDG MIKE LIRIO

Assistant Regional Rotary Foundation Coordinator for Zone 7A, Philippines and Indonesia

Since he became a Rotarian 31 years ago, there has not been a day that PDG Mike wavered in his commitment to serve. He poured his time, talent, and treasure into this organization he has grown to love and which has become an integral part of his life.

His innate leadership and burning motivation easily set him apart. After he became the president of his club, the Rotary Club of Tanauan in RY 1995-96, PDG Mike continued to soar up the leadership ladder of Rotary International. His rise culminated in his holding the helm of District 3820 as its District Governor for the milestone centennial year of 2004-05.

Rotary governors come and go; but a few elect to stay, continue to serve and rise higher in the organizational structure of Rotary International. Two years after his stellar performance as District Governor, PDG Mike faces yet a new challenge. In 2006 this Certified Public Accountant was asked to go to Rotary's headquarters in Evanston, Illinois where he trained for his new position: The Rotary Foundation's Humanitarian Grant Specialized Auditor (now called Cadre of Financial Auditors). He was the only Filipino amongst the 20 Rotarians appointed to the position worldwide, by TRF Chairman Luis Vicente Giay and he will hold this post until December 2008 (it was recently renewed till 2018). Mike was Cadre Technical Coordinator for Financial Audit and has served from July, 2009 until June, 2012. He served as Regional Foundation Alumni Coordinator for Zone 7A (Philippines and Indonesia) for 3 years ending in June 2013. He also served as District Rotary Foundation Chairman and District trainer for RID 3820 for 3 years.

He is currently on his 7th year as Assistant Regional Rotary Foundation Coordinator for Zone 7A, Philippines and Indonesia

In RY 2006-2007, RI has awarded him the Four Avenues of Service Award for Individual Rotarian and TRF gave him a Citation for Meritorious Service Award. No Rotarian from District 3820 has been given by both RI and TRF in one year. In 2015, TRF honoured him with the **Distinguished Service to the Rotary Foundation**, the highest recognition given to a Rotarian by the Rotary Foundation.

Reflections

“...If we heed the guide posts and danger signals which seers have hung out for the benefit of travelers on life's highway, we shall not look for happiness in the possession of money, nor in the possession of things which money will buy.” Paul Harris message on the 30th anniversary of Rotary, 1935

“Friendship was the foundation rock on which Rotary was built and tolerance is the element which holds it together.”
