## INVOCATION

Lord, bless this gathering of fellow Rotarians today. Please help us to see those in need and give us the strength and wisdom to serve our community as we should. Help us to lift the burdens of others while we maintain the dignity of humankind. Soften our hearts to be sensitive and loving as we serve together as Rotarians. This we pray in Jesus name, Amen.

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# The 4-Way Test

*of things we do and say:*

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## President's Message

Good day Centronians!

A community garden is a challenging project. One, it requires community interest in a garden. One cannot undertake this project when only one or two persons are interested. Many organizers may have found a community, provided the infrastructure, prepared the seedlings only to be disappointed when the community fails to take a long lasting interest. To ensure the commitment, we signed an MOU with Barangay Langkiwa and then commenced the project.

Second, this is a long term project. It will not be completed with just one visit to the community. We are hoping that by December, the time when the 1st awards will be given out we do find a lot of people taking produce from their harvest and putting it on their table.

My sincerest thank you to the KPAP—"Katutubong Gulay: Paramihin, Anihin, Pagkain natin ito" Monitoring Team— AG Evs Laranga and Rtn Larry Gonzales for helping me out with this challenging project.

Yours in Rotary,

## Patience is a Virtue

Patience is a virtue . This has always been taught in school most especially when you are from a Catholic school. This past year, I have noticed how short my fuse had become. Little things that should not matter now does. So how do we teach ourselves to be patient.

I read in article that :

“Learning how to pause is an important part of being patient. Pausing is not the same thing as waiting and patience has nothing to do with waiting. Learn all about pacing: timing yourself to work with more than one process around you. Since the world around is shifting, changing and everyone is different: patience requires flexibility and timing. At times to go slowly to let everything come together, at times to move along with surety and allowing everything to catch up with you. “

It is nice to read up once in a while to help you understand and cope with what you need to help you adapt. It is difficult at times to just “move along” with the pace of others but maybe the suggestion to “pause” is easier. It helps you stop the momentum. When in a state of impatience, simply close your eyes and clear your mind. Breath deeply and wait a few seconds. It did help me a few times but not often. A little more practice and hopefully, it will get better.

ROTARY INTERNATIONAL  
News & Updates

**Holger Knaack**  
**President 2020-21**

**President's Message**  
**October 2020**

During a recent Zoom meeting with Rotarians and Rotaractors, I looked at the smiling faces on my screen and realized how much our organization has changed in a short period. It is clear that there is no going back to the "old normal" in Rotary — and I see that as an exciting opportunity!

Innovation and change are happening at so many levels as we rethink and remake Rotary. Rotary's new flexibility is blending with digital culture to drive change in ways that many of us have never seen before. We can learn a lot from Rotarians like Rebecca Fry — who, at age 31, already has 15 years of Rotary experience.

I see Rotary as a phenomenal platform to change the world. I believe I can have the greatest influence by empowering others to create the change they wish to see in the world. I've gained leadership insights through my experiences in RYLA and Rotaract, and now, as charter president of the Rotary Social Impact Network, a new e-club.

*Engaging Rotary program alumni is key in forming new clubs. Our club is proof that Rotaractors and other alumni want to join Rotary — but sometimes they can't find the Rotary club that's right for them. Our club has 31 members, all between the ages of 23 and 41, and almost all of them are alumni of Rotary programs.*

*We need to be able to integrate and align Rotary with the other personal and professional goals we're pursuing. In chartering this club, we set out to design a personalized model of Rotary that is focused on added value for our members. We have also sought to leverage connections — through Rotary Fellowships, Rotary Action Groups, and other international partnerships — in order to elevate our members' experiences beyond the club*

## ROTARY INTERNATIONAL News & Updates

### President's Message October 2020

*Our club meets and manages most of its projects online, using Microsoft Teams to engage 24/7 in topics that interest our members. This also means our club is not geographically bound to any one location: Although many of us are in Australia, we also have members in Germany, Italy, Mexico, Tanzania, and the United States.*

*Also key for our club is measuring the impact of our projects. For Plastic Free July this year, we created an awareness campaign promoting ways that individuals could reduce their use of plastics, and we reached more than 6,000 people. It's a project with a tangible impact that anyone can take part in wherever they are. I'm proud that, through our club, we are bringing people together for a new type of Rotary experience. I am excited for our future.*

All Rotary clubs have the opportunity to be innovative clubs, just like Bec's club. Let's trust those clubs, learn from them, and lend them our support. Change in Rotary happens at the grassroots level, as clubs lead the charge, defining what this new Rotary can be.

Change is constant, and we have more work to do in many areas. It is important that we celebrate the contributions of people of all backgrounds and promote people from underrepresented groups so that they have greater opportunities to participate as members and leaders in Rotary.

The tools to make Rotary more inclusive, more relevant, and more fun for everyone are at our fingertips. Let's use them now, and we will see how Rotary Opens Opportunities for ourselves and for those yet to discover us.

## **KPAP - Katutubong Gulay: Paramihin, Anihin, Pagkain natin ito**

Preliminary activities on this flagship project of President Belinda Barroga started this week.

To urge residents to produce their own food , the club launched the project " KPAP - Katutubong Gulay: Paramihin, Anihin, Pagkain natin ito" , a backyard gardening contest for Barangay Langkiwa. The main objective of the program is the establishment of urban gardens or backyard farms in the barangay to promote organic food production among the marginalized sector of the population in order to achieve a degree of food security.

Centro Monitoring Team headed by AG Evs Laranga and Rtn Larry Gonzales was formed to take charge of the project . Virtual meetings with Barangay Langkiwa with Centro Monitoring Team already transpired. Identification of selected 50 families from Southville 5A who will participate in K-PAP was identified and orientation of responsibilities and roles of monitoring team was completed.

## Urban Vegetable Gardening

This project is the kick-off project of the club. In this time of a pandemic, we have begun to value things- especially food, differently. Access to food is no longer that easy even if you have the means financially. The queues in supermarkets are long and yet when you get in, the shelves are half empty.

This project is an initiative to transform unused portions of one's own residence to gardens with edible plants for food security. This will limit the number of times that centronians would need to go out to buy food.

After several months, Centronians were already able to harvest fruits/vegetables from their backyard garden.

## ROTARY CORNER

### HOW IS ROTARY STRUCTURED?

#### ROTARY CLUB MEMBERS

There are more than 1.2 million Rotary club members, or Rotarians, around the world. Your potential to do good in your community as a Rotarian is far greater than it was before you joined. You'll have the privilege of working with other professionals and the opportunity to make a difference in the lives of others by bringing together your expertise, skills, and resources.

#### ROTARY CLUBS

The club is the most important component of Rotary's organizational structure. There are over 35,000 Rotary clubs in more than 220 countries and geographical areas. Rotary clubs are autonomous, so the member experience varies from club to club. However, they all operate somewhat similarly. For example, all clubs have presidents, secretaries, and treasurers and committees that help them run smoothly. Each Rotary club is considered a member of Rotary International. Strong, well-run clubs enhance our members' experiences and deliver valuable service to our communities

#### CLUB MEETINGS

Rotary clubs hold regular meetings where their members gather to socialize and to discuss their current projects, other Rotary matters, and professional topics. While most clubs meet in person, some clubs meet primarily online or have a combination of in-person and online meetings. Rotary is both apolitical and nonreligious, and Rotary clubs are encouraged to create an inclusive environment for all club members at their meetings. Meetings can be formal or informal and can include food and drinks, speakers, an open forum for discussion, or group activities. The more you participate in your club's meetings and activities, the better overall experience you will have as a member.

## Rotary Corner

### DISTRICTS AND ZONES

Rotary clubs are grouped into districts. District governors serve an important role in Rotary. They're nominated by clubs in their districts for their leadership skills, Rotary experience, and dedication to service. They are trained extensively both in their regions and all together at the International Assembly. District governors serve a one-year term, leading a team of assistant governors and district committees to support and strengthen clubs and motivate them to carry out service projects. Governors visit each club in the district during the year, oversee the development of new clubs, and plan the district conference and other special events. Districts are organized into regional zones, each led by a team of regional leaders. Finally, your Rotary club belongs to the global association, Rotary International (RI), led by the RI president and the RI Board of Directors.

### SENIOR LEADERS

The RI president is elected to a one-year term, during which she or he presides over the Board of Directors. The RI Board of Directors and The Rotary Foundation Trustees govern our organization and its Foundation. The Board sets policies that aim to help clubs thrive. Clubs elect members of the Board, or directors, every year at the Rotary International Convention. Each director serves for two years and represents one of the Rotary zones. The Board of Trustees manages the business of The Rotary Foundation. The Rotary International president-elect appoints Trustees to four-year terms.

There are over 35,000 Rotary clubs grouped into about 530 districts. These districts are organized into 34 regional zones.

## Reflections

“At our fireside, scores of friends from all corners of the globe have delighted us by their presence. They have come as the result of my planting a sapling in 1905. The first Rotary Club was that sapling. It has grown into a mighty tree in whose shade it is delightful to dwell.”

Paul P. Harris. My Road to Rotary, chapter 42, 1947

*“The best antidote for international fear is international understanding; the best way to cultivate international understanding is through business and social intercourse.” —  
Message to 1928 Pacific Rotary Conference,  
Tokyo, Japan*

## ROTARY HISTORY

### **A Home for Headquarters**

The idea that Rotary should own its headquarters dates back at least to the 1920 convention, when Albert Adams, 1919-20 Rotary president, told attendees that he hoped to someday see the headquarters in a beautiful building of Rotary's own.

"It sounds like a dream, doesn't it?" he said. "But it can be done."

Rotary's worldwide presence, and the number of secretariat staff members working to support it, would grow considerably by the time the idea became a reality in the 1950s.

The Chicago years

The National Association of Rotary Clubs — now Rotary International — formed in 1910 and had its headquarters in the Chicago, Illinois, USA, office of its secretary, Chesley R. Perry. In March 1911, Rotary's headquarters moved to rented space in the First National Bank Building, one of many downtown Chicago rentals.

In 1914, Rotary set up its headquarters in the Karpen Building on South Michigan Avenue. During its nine years there, the staff grew to 78 people, and Rotary expanded beyond North America and Europe to Asia, South America, Africa, and Oceania. Citing increasing rent after World War I, Rotary moved to the Atwell Building in 1923, then to several more buildings after that.

After so many moves, some Rotary leaders began to call for a world headquarters that RI itself would own. Delegates at the 1921 convention attempted to pass a resolution to purchase a site for a building of Rotary's own, but they were unsuccessful. The 1928 convention delegates adopted a similar resolution, which had two notable conditions: There would be no increase in the per capita tax or assessment on clubs, and the site was to be in Chicago. A committee was formed and potential locations identified, but the Depression and the U.S. entry into World War II delayed any further action.

**ROTARY HISTORY**

## Rotary world headquarters locations

Some former locations are still commercial or office space, while others have been converted to private residences.

1910: Chesley R. Perry's office, LaSalle Street, Chicago

1911: First National Bank Building, South Dearborn Street and Monroe Street, Chicago (now demolished)

1913: Fort Dearborn Building, South Clark Street and Monroe Street, Chicago (now demolished)

1914: Karpen Building, South Michigan Avenue, Chicago

1923: Atwell Building, Cullerton Street and Prairie Avenue, Chicago

1928: Chicago Evening Post Building, West Wacker Drive near Wells Street, Chicago

1934: Jewelers' Building (previously the Pure Oil Building), East Wacker Drive, Chicago

1954: Ridge Avenue, Evanston

1987: One Rotary Center, Sherman Avenue, Evanston

In addition to its headquarters in Evanston, Illinois, USA, Rotary International has several offices worldwide.
